State's Tobacco Program Seeking Input on
Plan for Services, Programs**

WHO/WHAT

The Arizona Department of Health Services Bureau of Tobacco Education and Prevention Program (ADHS TEPP) is holding community forums (public meetings) throughout Arizona. The tobacco program wants to hear from Arizonans about how tobacco use affects their lives, how programs and services for prevention and cessations can be improved, and how the program can best communicate to the public about available programs and services.

The public is invited to attend a meeting in their area.

WHERE:

Maricopa

Marcos de Niza High School, 6000 S. Lakeshore Dr., Tempe, Arizona 85283

Note: this forum will be conducted in English, with interpreters fluent in the following language available: Chinese, Korean, Vietnamese.

WHEN:

Thursday, October 18, 2007
6:00 p.m. to 8:00 p.m.

Online input:

The public is invited to read more about the statewide planning process and to share their opinions online at www.betobaccofree.org.
